Dear Ms. Dallas:

On behalf of the Mayors Beautification Awards and Landscape Grant Committee of the City of Williamsburg, it gives me great pleasure to inform you that the entrance to your neighborhood at Jamestown Road and Yorkshire Drive has been selected to receive a Beautification Award in the Neighborhood Category.

The Mayors Beautification Awards and Landscape Grant Committee, being a group very interested in beautification throughout our city, would like to acknowledge your efforts and thank you by way of this special award. The nominee noted ***"the complete redesign of plant material and trees of the entrance into the neighborhood has enhanced Jamestown Road a major entrance corridor into the City"***.

We would like to invite you to attend the October 13, 2016 meeting of City Council where Mayor Paul Freiling will present you with a recognition certificate and an award sign to display until August 2017. Please call Karen Kelly in the Planning Department, 220-6130, by September 16th to confirm your attendance and location of the proposed sign. City Council meets in the Council Chambers of the Stryker Building at 412 North Boundary Street.

Again, we congratulate you on being selected for one of the Mayors Beautification Committee's Awards and thank you for your continued contributions to the City of Williamsburg.

Sincerely,

Leslie Bowie, Chairman
Mayors Awards and Landscape Grant Committee
